Pah-rehv (Hello), my name is Talar. Did you know that **BEH** makes a "b" sound? Color all the upper case **BEH**s blue and all the lower case **BEH**s green.

OOOPS! These words start with **BEH** but I wrote **AHYP** by accident. Can you change the red letters into a **BEH**? I know you can fix my mistakes! Try to say these words. Look on page 32 for help.
