

CHEH

is choo-tahg

Large red letters 'CHEH' are scattered across the page. Some letters are circled in green (e.g., the 'CH' in the first 'CHEH' and the 'H' in the second 'CHEH'). Other letters are not circled (e.g., the 'E' in the first 'CHEH' and the 'C' in the second 'CHEH').

Hi everyone! The letter **CHEH** makes a "ch" sound. Do you see all the little letters? Circle only the letters that are CHEH. Some have been done for you.

Sarkis forgot to tell you that there is another letter that makes the "ch" sound. Do you remember it? Yes, it's **չ(CHAH)**. Underline the **ջ(CHEH)** letters red and the **չ(CHAH)** letters blue in the words below..

չդջիկ դենջակ
ջութակ էջ
ջայլամ ոչխար
ջրջուն նարինջ
կամուրջ չափել

CHEH and **CHAH** are different letters with the same sound. Match them to their correct names. One has been done for you.

A list of letters in circles on the left and boxes with names on the right. A green arrow points from the circled 'ջ' to the 'CHEH' box.
