How many upper case NOOs: _____

How many lower case NOOs: _____

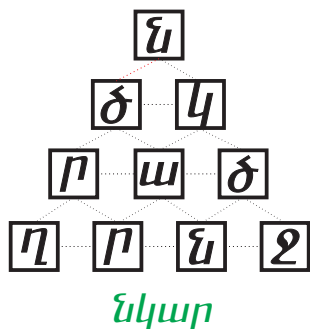

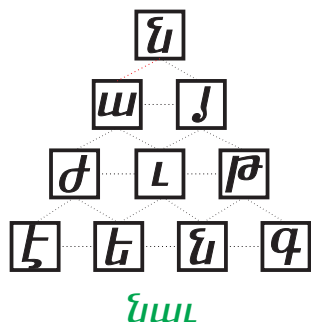

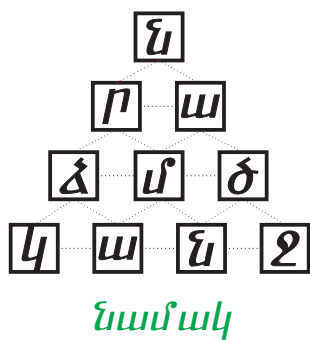

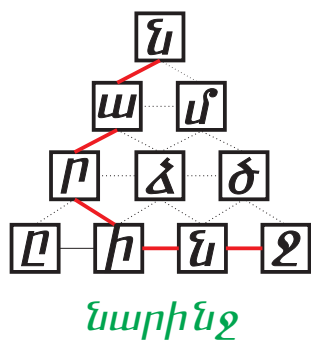

NOO makes an "n" sound. My name, **Նայրի** (Nayree) begins with NOO.

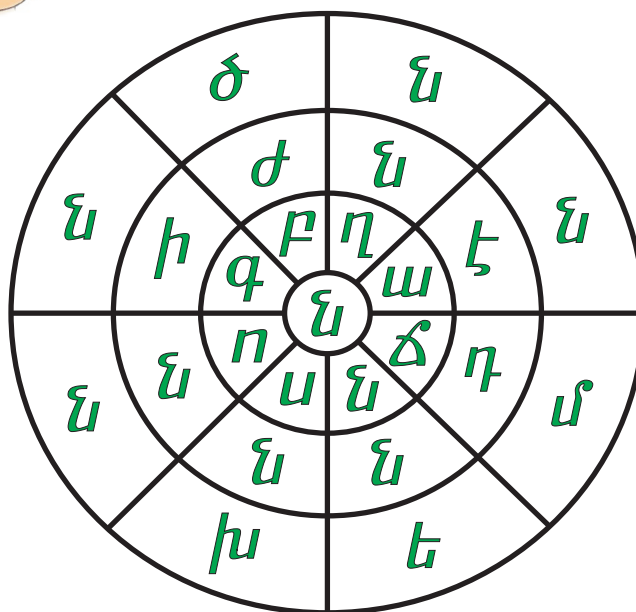

How many upper case NOOs are there in the big upper case NOO? How many lower case NOOs are there in the big lower case NOO? Write the answers on the lines above.

These are NOO word pyramids. Trace the word shown for each pyramid. The first one is done for you. Go to page 28 of your workbook to learn the meaning of these words.

Find the correct outer wedge NOO starting point that will lead you to the center by tracing only on the NOO areas.
