ZAH  
is for zahrt

ZAH  
says  
z!

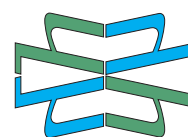

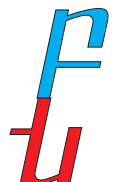

Fix the upper case ZAH  
and lower case ZAH by  
coloring in the missing  
chunks.

Let's review the first 6 letters of the  
Armenian alphabet. Join the upper  
case Armenian letters to the correct  
English sounds and then finally to the  
correct lower case Armenian letters.

How many ZAHs do you see? \_\_\_\_  
How many are facing the right way? \_\_\_\_

Circle all the letters below that you can see above:

Ա Բ Գ Դ Ե Զ  
Մ Բ Գ Դ Ե Կ
